SIGNED	**CHAIRMAN:**	**DATE:**

	29/08 CLLA – to transfer to Llanyre Rec Field A/c 1.70 . b) External Auditor 2024-25 - no contact or queries had been received from Audit Wales. c) There had been a funding request from Wales Air Ambulance – deferred until Q4 to consider with other requests. d) SSE had sent a payment request for £172.37 further details and an invoice had been requested and were awaited – SSE stated by phone that this related to 2 amounts from 2024-25 but were unable to provide details, however, both toilet supply accounts remain in credit. e) Governance: a draft attendance and apologies protocol had been circulated and was agreed to be adopted. (SDP/AA).
077/26	**CORRESPONDENCE:** correspondence items included: • Wales Air Ambulance funding request – see 077/26c • SSE billing – see 077/26d • National Lottery email request for update report on use of the play park. Received 13/10/26 for completion by end of month. Noted that this was unexpected and required detailed information within a short time frame. • OVW had circulated a request for information related to Community Resilience preparedness in respect of emergencies from OVW. It was noted that ideas to promote this locally had been discussed during the September Meeting and the Clerk and Chairman had considered options for community information. An outline proposal to progress these was discussed.
078/26	To receive updates from Powys County Councillors: Cllr GH advised that he had requested to view plans for the proposed extension of the Welsh Government funded Cycleway into Llanyre from Llandrindod. Members advised him the cycle way was not supported by numbers of residents as the 'safe routes to school' path created some years ago from the village to Llandrindod was deemed adequate. There were concerns that the requirements of a new scheme would reduce the carriage way width on a road through a residential area already used as a through route by many HGVs avoiding the railway bride in cross gates and poor through route travel for vehicles in Llandrindod Wells. He suggested an open meeting for the community to discuss the cycle way proposals – this was welcomed by members. GH to contact LCC with further info when available. He advised that PCC Councillors did not support the Powys Teaching Health Board's Pre Consultation Business Case (PCBC) for the Better Together Programme which outlined options for community hospital provision in the county. It included the potential closure of Llandrindod Wells hospital. LCC members had made individual comments to the consultation but confirmed as a Council they did not support the loss of a local hospital. He also advised that the full PCC council would now have the opportunity to vote on PCC Cabinet proposals for any school closures rather than these being decisions for the Cabinet only.
710/26	**COMMUNITY ISSUES, MEMBER DISCUSSION and ISSUES NOT ON THE AGENDA**

SIGNED	**CHAIRMAN:**	**DATE:**

	a) Newbridge-on-Wye Issues: AA advised that street lights turned off during recent periods of road closure had not been turned back on. Cllr GH noted this and emailed the PCC Officer responsible for street lighting during the meeting. b) Llanyre issues: JO asked that Cllr GH asked PCC highways to consider road marking the bus stop as this was used as general roadside parking. Meaning the bus stopped on the road requiring bus users to alight to and from the bus on the carriageway. JO also advised that a resident had made some repairs to the play area fence. It was agreed to get prices for playground fencing.
	Exclusion of public and press due to the confidential nature of the following business - Non-attendance at meetings. The '6 month rule' set out by the Local Government Act 1972 S.85 protocol was agreed. An email had been sent to non-attending members subject to the implication of S.85 asking that they request a dispensation or confirm their standing down from the council.
711/26	**DATE OF NEXT MEETING:** **The next Ordinary Scheduled Meeting was set for 17th November 2026 at 7.00pm**
CLOSE	The Community Council Meeting was closed at 8.15 pm.
